

# Full Stack Web Developer (m/f/d)

Full-time in Bad Säckingen or Remote

You are an up-and-coming organizational talent? You want to participate in a young, future-oriented and at the same time established software company? Become part of a unique family environment and work proactive in one of our expert teams with a high degree of personal responsibility. We are a leading international company in the sector of process industry with more than 40,000 users around the world who are benefiting from our solution Shiftconnentor®.

## Your Chance

Every employee plays an important role in the growth and success story of eschbach. Become part of an established and at the same time visionary company with start-up character:

- Grow personally and professionally through your challenging tasks, (and) regular training and development opportunities
- Make a difference with a degree of freedom which includes enough responsibility and commitment
- Work in a bright, modern office with a cafeteria, roof terrace and free parking lots
- Coffee, water, fruit and a lunch allowance are of course included
- Get relocation-support for the move to the region of Bad Säckingen / Southern Germany

## Your Tasks

- Communication and close cooperation with developers, QA team, product management and operations team
- Analysing and understanding customer requirements and processes
- Developing technical solution concepts
- Implementing changes in frontend, backend and database

## Your Profile

- Degree or alternatively professional experience in the areas of Computer Science or Information Technology
- Experience with MS SQL Server, C#, ASP.net, WebApi, HTML5, Typescript, React
- Excellent English communication skills
- Willingness to learn German
- Working in the DevOps environment: Knowledge of test / release / deployment automation
- Experience with Software Architecture
- Experience with testing (Nunit, JEST, Selenium)
- Excited about the opportunity to make a difference
- Nice-To-Have: Clean Code

**Help creating our future and become part of the eschbach family.  
Ready for the challenge? Apply now!**
